

7<sup>th</sup> October 2020

Dear Principals and Vice Principals,

**Annual Conference (free enrolment) cum Annual General Meeting on 19<sup>th</sup> November 2020**

The COVID-19 pandemic has drastically changed our ways of living and leading schools. In February 2020, we shared some leadership practices and values from our [Principals' Capability Framework \(2<sup>nd</sup> edition\)](#) (PCF) relevant to school leaders' handling of the COVID-19 outbreak. As the pandemic has not stopped students from learning, it should not stop principals' learning, too, so our upcoming Annual Conference will provide us with opportunities to learn from Prof. A Lin Goodwin, Dean of the Faculty of Education of the University of Hong Kong and former Vice Dean of Teachers College, Columbia University, and from Prof. David SC Hui, Chairman of Department of Medicine & Therapeutics of the Chinese University of Hong Kong. Prof. Goodwin will enlighten us with insights about young teachers' professional identities and beliefs, and we have invited Prof. Hui to share with us about leadership during a pandemic. As the Prevention and Control of Disease (Prohibition on Group Gathering) Regulation does not allow us to hold this event under the arrangements constraints of our booked venue, we shall hold Conference cum AGM by zoom videoconferencing on 19<sup>th</sup> November (Thursday), and shall be offering **FREE ADMISSION** with two-way Cantonese-English simultaneous translation. Please refer to the attachment for the programme rundown and register for this event.

**Membership renewal, application and update**

If you are an ordinary member, please renew your annual membership for 2020-2021. For those who have not yet registered as members, we sincerely hope that you would become HKPI members so that you will have enrolment priority and pay lower enrolment fee for future local and international leadership learning events. Ordinary membership renewal and new membership application, together with life members' updating of their contact information, can be done at our [membership page](#) at [www.hkpi.org.hk](http://www.hkpi.org.hk).

**Annual General Meeting**

Our Annual General Meeting will as usual precede the Annual Conference, and this year we shall have a maximum of 9 councilor vacancies for the new 2-year term of office (2020-2022). Please nominate suitable candidates for the election. The Notice of the 2020 AGM, the Councilor Nomination Form and Membership Application / Renewal Form are all available at our website.

May we continue to learn as we lead, and synergise what we know and what we have, as we serve the education community.

Yours sincerely,

John Kang TAN (Dr.)

Chairman, HKPI

各位校長及副校長：

### 周年研討會(免費參加)暨周年會員大會(2020年11月19日)

在我們的生活和學校領導模式受著新型冠狀病毒病的顯著影響下，我們在2020年2月時分享了[《校長能力架構》\(第二版\)](#)當中的一些可以幫助各位學校領導應對疫情挑戰的領導實踐和價值。學生停課不停學，校長當然也不會停下學習的步伐。今年香港校長中心2020周年研討會的主題講座嘉賓是葛文林教授和許樹昌教授。葛文林教授是香港大學教育學院院長及哥倫比亞大學教師學院的前任副院長；香港傳染病專家許樹昌教授是香港中文大學內科及藥物治療學系系主任。葛教授會與大家分享年青教師的專業角色和理念，而我們亦邀請許教授與大家分享疫情衝擊下的領導，兩位主題講座嘉賓定能啟發大家的思考。因《預防及控制疾病(禁止羣組聚集)規例》不容許我們在已訂場地的限制下進行是次活動，周年研討會暨周年會員大會將於11月19日(星期四)以Zoom視像會議形式進行，並不收取報名費及設有中英及英中雙語即時傳譯。請大家細閱附件詳情及踴躍報名。

若您是普通會員，請別忘記及早續會。若您仍未加入香港校長中心這個大家庭，我們誠意再一次邀請您入會，期望能與您在香港校長中心將來的本地及國際領導學習活動一起學習交流，而會員報名參加這些活動時將被優先取錄及繳交較低的報名費。無論新入會、續會、永久會員更新個人資料，都可以在香港校長中心的網頁上 [www.hkpi.org.hk](http://www.hkpi.org.hk) [會籍分頁](#) 輕鬆處理。

與往年一樣，我們會在2020周年研討會前舉行周年會員大會。本年度，我們可以選舉最多九名會員加入執行委員會(2020-2022)，請提名您心目中適合的人選。有關2020會員大會通告、選舉詳情、選舉表格與及會員入會／續會申請程序，請到我們的網站下載。

香港校長中心期望與各位校長一起繼續自我提升，同心同德，攜手為教育貢獻所能。

香港校長中心主席

謹啟

## Biographies of Keynote Speakers

**Professor A. Lin GOODWIN (葛文林)** is Dean and Professor of the Faculty of Education at the University of Hong Kong (HKU). Prior to joining HKU in 2017, she was Vice Dean at Teachers College, Columbia University in New York, and the Evenden Foundation Chair of Education. She is a past Vice President of the American Educational Research Association (AERA)—Division K: Teaching and Teacher Education, and the inaugural Dr. Ruth Wong Professor of Teacher Education at the National Institute of Education in Singapore. In 2015, Prof. Goodwin was honored as a Distinguished Scholar by AERA's Special Interest

Group: Research on the Education of Asian and Pacific Americans.

Prof. Goodwin's research focuses on teacher and teacher educator beliefs, identities and development; equitable education and powerful teaching for immigrant and minoritized youth; and on international analyses/comparisons of teacher education practice and policy. Recent publications include "Globalization, global mindsets and teacher education" in *Action in Teacher Education*, and "Social justice teacher educators: What kind of knowing is needed?" (with K. Darity) in the *Journal of Education for Teaching*. Her latest book, co-authored with Ee Ling Low and Linda Darling-Hammond, is: *Empowered educators in Singapore: How high-performing systems shape teaching quality*.

Prof. Goodwin has served as a consultant to a wide variety of organizations including school districts, philanthropic foundations, and higher education institutions, around issues of diversity, educational equity, and teacher education. Her work has taken her to many different countries such as Brazil, Jordan, Mongolia, Latvia, Singapore, China, Poland, and Bermuda among others, where she has collaborated with local educators to support quality teaching and teacher development.

**Professor David S HUI (許樹昌) MBBS, MD, FRACP, FRCP (Lond, Edin, Glasg), FHKCP, FHKAM** is the Chairman of Department of Medicine & Therapeutics in addition to being the Stanley Ho Professor of Respiratory Medicine and the Director of the Stanley Ho Centre for Emerging Infectious Diseases, The Chinese University of Hong Kong (CUHK). He undertook undergraduate medical training at the University of New South Wales in 1980-85 followed by postgraduate training in Respiratory

& Sleep Medicine in Sydney, Australia. He has joined the CUHK as an academic clinician since 1998 and is based at the Prince of Wales Hospital, HK where a major outbreak of SARS occurred in 2003. Since 2004, he has frequently served as an advisor to the WHO on the clinical management of emerging severe acute respiratory infections (SARI) including avian influenza, pandemic influenza, MERS and COVID-19. He joined urgent WHO missions for the investigation of MERS outbreaks in Riyadh and South Korea in 2013 and 2015 respectively. Prof Hui has published well over 300 peer-reviewed journal articles and 24 book chapters. His research interests include the clinical management of SARI, safety of respiratory therapy in the post SARS era, prevention of nosocomial transmission of respiratory infections, and study of ventilation/exhaust design in hospital isolation room.
