

Workshop on Principals' Self-Assessment of Professional Learning Needs

「校長自評促進專業學習」工作坊

The *Blue Water School Leaders' Professional Learning Guide* has been published and distributed to members since the 2016 Annual Conference cum Annual General Meeting. The *Guide* is a tool designed according to the *Principals' Capability Framework* published by our Institute in 2013, for school leaders to self-assess their leadership capabilities and professional learning needs. This workshop is organized for HKPI members on how to use the *Guide* to reflect upon their leadership capabilities and identify their professional development needs.

香港校長中心出版了《Blue Water: 學校領袖專業指引》，自2016周年會議暨周年大會中起在中心的活動中向會員派發。《指引》是根據本中心2013年出版的《校長能力架構》設計的一件自我評估的工具，旨在幫助學校領導人瞭解自己的領導能力和專業發展需要。校長中心現在為會員舉辦以下工作坊，協助大家運用《指引》反思自己的領導能力，和識別自己的專業發展需要。
