

The Hong Kong Principals' Institute Professional Development Programme for Serving Principals with 4-10 Years of Experience (for HKPI Members only)

Introduction

The HKPI believes in the importance of continuous professional development for serving principals beyond the initial phase of principalship in order to become competent and accomplished leaders. To cater to this need, these programmes would be best designed basing on a conceptual framework on school leadership with relevance to Hong Kong context. We believe that the *Principals' Capacity Framework (PCF)* and the *Blue Water School Leaders Professional Learning Guide* developed by the HKPI, would be a good starting point.

Developing school principals to be quality mentors is an important objective of this programme. It will be achieved through training in mentoring skills, and serving as mentors and forming learning circles for beginning and newly appointed principals.

Thematic talks are another distinct feature of this program. Talks of a macro and system level, that aim to broaden the participants' horizon and perspectives will be organized.

Programme Objectives:

1. To develop competent and accomplished school leaders
2. To develop serving principals to become high quality mentors for 1st year and 2nd year principals.
3. To establish a network of principals whose continuous professional development is sustained through collegial sharing and support.

Programme Design

- I. The programme will be of 2-year duration with the following components:

First year on professional learning:

Component 1: Half-day workshop on *Principals' Capability Framework* and *Blue Water School Leaders Professional Learning Guide*

Component 2: One-day Mentoring and Coaching Skills Training

Component 3: Five Learning Circle meetings with 4-5 participants coordinated by the Head-sponsor, who are accomplished principals and experienced mentors

Component 4: Three Thematic Talks as part of the Learning Circle meetings. Tentative topics are: School education systems and principal leadership development in different countries; different characteristics and modes of operation / subsidy of schools in HK – private, DSS, aided, government; different curricula in operation in HK– IB, IGCSE/GCE, DSE.

Component 5: Corporate Visit

Second year on mentoring experience:

Serving as mentor for 2nd year principals in Newly Appointed Principals Programme or as mentor for 1st year principals in mentor programme organized by HKPI, subject to the needs for mentors.

- II. On completion of Components 1 and 2, and 4 out of the 5 Learning Circle meetings, the participant will receive a Certificate from the HKPI.
